

20th March 2015

Dear Parent / Guardian,

All schools are obliged to teach students about different religions so they are prepared for life in Modern Britain. Our students will be working in a multicultural environment in the future and it is important for them to understand the main traditions of Liverpool's faith communities.

To make these ends, all Year 11 students will visit the Liverpool Anglican Cathedral and the Liverpool Metropolitan Cathedral on the morning of Thursday 26th March 2015. We will be walking to the Cathedrals as they are within the walking distance from The Studio School. We will be departing The Studio at approximately 9.30am and returning at approximately 12-30pm. The pupils will be supervised by their Coaches.

Pupils will be in normal school uniform. In addition, they will need a waterproof coat and /or an Umbrella. The school will cover the cost of the entrance fee to the Anglican Cathedral. I would appreciate it if you could support this part of their education by ensuring they are prepared for this visit.

If you require any more information please do not hesitate to contact me on 0151 230 1330.

Thank you for your support and understanding.

Yours sincerely
